

Next To You

Supergrass

I can't stand it for another day
When you live so many miles away
Nothing here is gonna make me stay
You took me over, let me find a way

I sold my house, I sold my motor too
All I want is to be next to you
I'd rob a bank, maybe steal a plane
You took me over, think I'm goin' insane

What can I do
All I want is to be next to you
What can I do
All I want is to be next to you

I've had a thousand girls or maybe more
But I've never felt like this before
I don't know what's come over me
You took me over, take a look at me

What can I do
All I want is to be next to you
What can I do
All I want is to be next to you

All I want is to be next to you
All I want is to be next to you
All I want is to be next to you

So many times I used to give a sign
I got this feeling, gonna lose my mind
After all it's just a love affair
You took me over baby, take me there

What can I do
All I want is to be next to you
What can I do
All I want is to be next to you
What can I do
All I want is to be next to you
What can I do
All I want is to be next to you

All I want is to be next to you
All I want is to be next to you
All I want is to be next to you
What can I do
What can I do
What can I do
What can I do
