Your blank look tells me, you're not to thrilled at all  
To stand here face-to-face with me  
You want to stab at me, right now, not tomorrow  
'Cause there's a fine line between me and them  
Call it a rift

I can't just look you in the eye without just crying/laughing

threat tone...you and yours want to make a name  
Pack it up and move on right now, no tomorrow  
'Cause there's a fine line between me and them  
Call it a...

There's pressure, revolving, absorbing, unloading, depreciated  
Step on the foot of Excelcier, a net in the womb of the afterma  
th
