

Big Chance

SuperM

Do ya, do ya, do ya, do ya
Do ya, do ya, do ya, do ya

You got your mother's eyes
And your daddy's temper
But I never mind
Being bitten by ya

We almost rolled the dice
Back in last December
Then we thought twice
But now I think about ya

I want a little bit more than nothing
And it might tear us apart
But it's you I'm tired of craving, yeah

So love across my mind
But now I'm thinking, thinking twice
Oh, tell me (Do ya, do ya, do ya, do ya)
Wanna make that big mistake, big mistake
Do ya, do ya, oh

We were out last night
Counting bottles
And it crossed my mind
What's there to stop us

If I could hear you say
If I could hear you say
(Oh, yeah, yeah, yeah)

I wouldn't hesitate
I wouldn't hesitate
(Oh, yeah, yeah, yeah)

You wanna say you do but you don't
You wanna say you will but you won't
You wanna say you can but you can't
You fall to the pressure too many times
Again and again I hope you feel me understand

See I know you wanna ride with the kid
You wanna say hi with a kiss
You wanna say it's us to the end
Come on over, do you or don't ya
Can't you see it's all in the plan, girl

So love across my mind
But now I'm thinking, thinking twice
Oh, tell me (Do ya, do ya, do ya, do ya)
Wanna make that big mistake, big mistake
Do ya, do ya, oh

I want a little bit more than nothing
And it might tear us apart
But it's you I'm tired of craving, yeah

So if I ask, ask you
Oh, let me ask, ask you

Yo, yo, yo, 'cause I don't wanna lose you
Big mistakes the things that we could do
We can go our separate ways if we choose to
But that traffic is a hazard tryna move through

I'll say it over and over
Up and down roller coasters
We let it out with emotions
No need to cry out an ocean
'Cause if you ask me, I would say it's all for nothing
I'm in for something, it's all love
Keep it a hundred, let me ask ya

Do ya, do ya, do ya, do ya
So let me ask you
Do ya, do ya, do ya, do ya
Wanna make that big mistake

So love across my mind
But now I'm thinking, thinking twice
Oh, tell me (Do ya, do ya, do ya, do ya)
Wanna make that big mistake, big mistake
Do ya, do ya, oh

Do ya, do ya, do ya, do ya
Wanna make that big mistake, big mistake
Do ya, do ya, oh
