

# Jopping

SuperM

I don't even care yeogin uril taeul stage  
Left to the right, we gon' make it, make it bang  
Put your hands in the air, let me see you bounce  
To the left, to the right shijakdweneun round  
Cuz when we jumping and popping, we jopping

Jopping  
Jopping  
Jopping

You know how we get down (jopping)  
How we get down (jopping)  
How we get down  
Cuz when we jumping and popping, we jopping

Step on the floor (start a riot)  
Where the competition man it's looking one-sided  
Up like a 7 forty 7 we the flyest  
A lifestyle you should try it  
So shijakhae  
Make it last  
Front to back yeah, yeah  
(Give me that give me that give me that)  
The roof's on fire let it burn to an ash  
We gon' keep it jopping, tell the DJ bring it back

Narabwa like a paraglide  
Natana in a pair of slides  
Tteonaja out to paradise  
Geonbaehae to a better life  
Gotta move, watch the money monsoon  
Make the crowd go wild in a small room  
Let me see you put it all on like a costume  
Eodilkkaji beonjyeogalji molla

We love to move it, keep it going, don't stop  
It's in your nature  
Malhae girl what you want  
Chumeul chwobwa  
We go on and on  
Champagne life, that's all you want  
Don't stop letting it go cuz we got that glow

You know how we get down (jopping)  
How we get down (jopping)  
How we get down  
Cuz when we jumping and popping, we jopping

I don't even care yeogin uril taeul stage  
Left to the right, we gon' make it, make it bang  
Put your hands in the air, let me see you bounce  
To the left, to the right shijakdweneun round  
Cuz when we jumping and popping, we jopping

You think ya big boi, throwing three stacks  
I'mma show you how to ball, you a mismatch  
Opinionated but I'm always spitting straight facts

Throwback, I might throw this on an 8 track  
Mideobwa I'm sight to see  
Exciting go and drop the beat  
We get it jopping the party, it don't stop  
Chukjeneun ijebuteo shijakinikka

I goshi patiinde bappi eodil ga  
We'll keep it jumping and popping here all night  
Jump to the front if you want it  
Hands up soneul wiro  
Don't stop letting it go, like you don't care

I don't even care yeogin uril taeul stage  
Left to the right, we gon' make it, make it bang  
Put your hands in the air, let me see you bounce  
To the left, to the right shijakdweneun round

Modu hear that sound  
Teureul beoseonan hanadwen shinsegyereul pyeolchyeo  
Play the music loud  
Sarana cuz tonight's gonna set you free

I don't even care yeogin uril taeul stage  
Left to the right, we gon' make it, make it bang  
Put your hands in the air, let me see you bounce  
To the left, to the right shijakdweneun round

I don't even care hankkeot daraoreun stage  
Left to the right we gon' make it, make it bang  
Put your hands in the air, let me see you bounce  
To the left, to the right shijakdweneun round

Cuz when we jumping and popping, we jopping  
Cuz when we jumping and popping, we jopping

I don't even care □□ □□ □□ stage  
Left to the right, we gon' make it, make it bang  
Put your hands in the air, let me see you bounce  
To the left, to the right □□□□ round  
Cuz when we jumping and popping, we jopping

Jopping  
Jopping  
Jopping

You know how we get down (jopping)  
How we get down (jopping)  
How we get down  
Cuz when we jumping and popping, we jopping

Step on the floor (start a riot)  
Where the competition man it's looking one-sided  
Up like a 7 forty 7 we the flyest  
A lifestyle you should try it  
So □□□  
Make it last  
Front to back yeah, yeah  
(Give me that give me that give me that)  
The roof's on fire let it burn to an ash  
We gon' keep it jopping, tell the DJ bring it back

□□□ like a paraglide  
□□□ in a pair of slides

out to paradise  
    to a better life  
Gotta move, watch the money monsoon  
Make the crowd go wild in a small room  
Let me see you put it all on like a costume

We love to move it, keep it going, don't stop  
It's in your nature  
  girl what you want  
    
We go on and on  
Champagne life, that's all you want  
Don't stop letting it go cuz we got that glow

You know how we get down (jopping)  
How we get down (jopping)  
How we get down  
Cuz when we jumping and popping, we jopping

I don't even care    stage  
Left to the right, we gon' make it, make it bang  
Put your hands in the air, let me see you bounce  
To the left, to the right    round  
Cuz when we jumping and popping, we jopping

You think ya big boi, throwing three stacks  
I'mma show you how to ball, you a mismatch  
Opinionated but I'm always spitting straight facts  
Throwback, I might throw this on an 8 track  
    I'm sight to see  
Exciting go and drop the beat  
We get it jopping the party, it don't stop

We'll keep it jumping and popping here all night  
Jump to the front if you want it  
Hands up     
Don't stop letting it go, like you don't care

I don't even care    stage  
Left to the right, we gon' make it, make it bang  
Put your hands in the air, let me see you bounce  
To the left, to the right    round

  hear that sound  
          
Play the music loud  
    cuz tonight's gonna set you free

I don't even care    stage  
Left to the right, we gon' make it, make it bang  
Put your hands in the air, let me see you bounce  
To the left, to the right    round

I don't even care    stage  
Left to the right we gon' make it, make it bang  
Put your hands in the air, let me see you bounce  
To the left, to the right    round

Cuz when we jumping and popping, we jopping  
Cuz when we jumping and popping, we jopping

I don't even care here we will burn on this stage  
Left to the right, we gon' make it, make it bang  
Put your hands in the air, let me see you bounce  
To the left, to the right, it begins the round  
Cuz when we jumping and popping, we jopping

Jopping  
Jopping  
Jopping

You know how we get down (jopping)  
How we get down (jopping)  
How we get down  
Cuz when we jumping and popping, we jopping

Step on the floor (start a riot)  
Where the competition man it's looking one-sided  
Up like a 7 forty 7 we the flyest  
A lifestyle you should try it  
So start  
Make it last  
Front to back yeah, yeah  
(Give me that give me that give me that)  
The roof's on fire let it burn to an ash  
We gon' keep it jopping, tell the DJ bring it back

Fly like a paraglide  
Appear in a pair of slides  
Let's go out to paradise  
Cheers to a better life  
Gotta move, watch the money monsoon  
Make the crowd go wild in a small room  
Let me see you put it all on like a costume  
Don't know how far it'll spread

We love to move it, keep it going, don't stop  
It's in your nature,  
Tell me girl what you want  
C'mon dance  
We go on and on  
Champagne life, that's all you want  
Don't stop letting it go cuz we got that glow

You know how we get down (jopping)  
How we get down (jopping)  
How we get down  
Cuz when we jumping and popping, we jopping

I don't even care here we will burn on this stage  
Left to the right, we gon' make it, make it bang  
Put your hands in the air, let me see you bounce  
To the left, to the right, it begins the round  
Cuz when we jumping and popping, we jopping

You think ya big boi, throwing three stacks  
I'mma show you how to ball, you a mismatch  
Opinionated but I'm always spitting straight facts  
Throwback, I might throw this on an 8 track  
Believe me, I'm sight to see  
Exciting go and drop the beat  
We get it jopping the party, it don't stop  
The festival is now starting

This place is a party but where are you rushing to  
We'll keep it jumping and popping here all night  
Jump to the front if you want it  
Hands up, put your hands up  
Don't stop letting it go, like you don't care

I don't even care here we will burn on this stage  
Left to the right, we gon' make it, make it bang  
Put your hands in the air, let me see you bounce  
To the left, to the right, it begins the round

Everyone hear that sound  
Step out of the frame and open a uniformed new world  
Play the music loud  
Come alive cuz tonight's gonna set you free

I don't even care here we will burn on this stage  
Left to the right, we gon' make it, make it bang  
Put your hands in the air, let me see you bounce  
To the left, to the right, it begins the round

I don't even care here we will burn on this stage  
Left to the right we gon' make it, make it bang  
Put your hands in the air, let me see you bounce  
To the left, to the right it begins the round

Cuz when we jumping and popping, we jopping  
Cuz when we jumping and popping, we jopping
