Superorganism

Here's a useful lesson for ya:  
Give up, just quit, because in this life, you can't win. Yeah,  
you can try, but in the end you're just gonna lose, big time, b  
ecause the world is run by the Man

My momma called, seen you on TV, son  
Said shit done changed ever since we was on  
I dreamed it all ever since I was young  
They said I wouldn't be nothing  
Now they always say, "Congratulations" (uh, uh-)  
Worked so hard, forgot how to vacation  
They ain't never had the dedication  
People hatin', say we changed and look, we made it  
Yeah, we made it

I've got someone to make reports  
That tell me how my money's spent  
To book my stays and draw my blinds  
So I can't tell what's really there  
And all I need's a great big congratulations

Congratulations

Damn my□ luck and damn these friends  
That keep on combing back their smiles  
I save my grace with half-assed guilt  
And lay down the quilt upon the lawn  
Spread my arms and soak up congratulations

So don't waste your time trying to make anything cool, or pure,  
or awesome, 'cause the Man is just gonna call you a fat washed  
up loser and crush your soul. So do yourselves a favor and jus  
t GIVE UP!

Congratulations!
