

# The Logical Song

Supertramp

**Ami** **F** **E**  
When I was young, it seemed that life was so wonderful,  
**G** **F** **F#dim**  
a miracle, oh it was beautiful, magical.  
**Ami** **F** **E**  
And all the birds in the trees, well they'd be singing so happily,  
**G** **F** **F#dim**  
oh, joyfully, oh, playfully, watching me.

But then they sent me away, to teach me how to be sensible,  
logical oh, responsible practical.  
And they showed me a world where I could be so dependable,  
oh, clinical, oh, intellectual, cynical.

**C** **C6**  
R: There are times when all the world's asleep,  
**F** **B Dmi**  
the questions run too deep for such a simple man  
**Gmi** **Dmi**

**C** **C6**  
Won't you please, please tell me what we've learned?  
**F** **B Dmi**  
I know it sounds absurd. Please tell me who I am.  
**Gmi** **Dmi**

I said, now watch what you say or they'll be calling you a radical,  
a liberal, oh fanatical, criminal.  
Oh, won't you sign up your name, we'd like to feel you're acceptable,  
respectable, oh, presentable, a vegetable!
