

Where There's a Will

Supertramp

Where there's a will, there's a way
Or so they say
A friend in need is a friend indeed
He'll be there every day
And if it's trouble that's in store
You know they'll tell you even more
Where there's a will, there's a way
That's what they'll say

When the writing is on the wall
And if you could fall
When your best ain't good enough
And life's tough

When the lad of hope and dreams
Isn't always what it seems
Where there's a will, there's a way
They always say

You may be sorry, you may be sad, you may be blue
You think you'll never see the sun come breaking thru
You struggle morning noon and night
And you still I can't get it right
But where there's a will, there's a way
Just say it every day

Well so much for trouble, so much for heartache
so much for pain
You just gotta get up, you just gotta reach out
You gotta try and try again
You think you'll never see it thru
But what the hell you gonna do
Where there's a will, there's a way
You've heard'em say

Well I don't no nothing 'bout this world
and all it's wrong
I can tell you now,
why we all can't get along
But after all is said and done

We gotta keep on, keepin' on
'Cos where there's a will, there's a way
I don't know what to say

Thru all your sorrows
all your dreams, and all your joys
In times of sadness,
in time of grief
and even times that you enjoy
As your life you live it through
You know it all depends on you

And if where there's a will, there's a way
You better get down and pray
From the cradle to the grave
You better say it every day

When the crime's above the law
When the plane's about to fall
When the mighty oceans roar
When tomorrow's at your door
Where there's a will, there's a way
That's what they'll say
