## **You Started Laughing**

## Supertramp

When you're in heaven
What you gonna do?
You're gonna sit around a cloud and say
"Hey, what a lovely view"

Is there a reason, why you're like you are? Is there a reason you'll be leaving? Is my love out of season?
I wouldn't mind but to me that is Treason

You started laughing
When I held you in my arms
You started leaving
When I told you of my charms

I was in love with you and then you said, we're through And then I said, "Boo hoo"
Was my tie not on straight?
Was it something I ate?
