Your eyes are just like a bubblebrown
and the face is just like u bubblebrown
and your breasts are just like a bubblebrown
and the belly looks just like a bubblebrown.

So you can kill me, 'cause you're bubblebrown
and you can beat me, 'cause you're bubblebrown,
now you must rule me, 'cause you're bubblebrown,
'Cause you can drown me, 'cause you're bubblebrown.

You can nail me, 'cause you're bubblebrown,
I'll let you thrill me, 'cause you're bubblebrown,
I'll let you kiss me, 'cause you're bubblebrown
and you can do me, 'cause you're bubblebrown.

My independence gave up all and there are things I don't contro
l,
my sexuality's torn up she says "I'm not really in, but I'm not
really gone"
time to time, my papa used to say to beware of those bubblebrow
ns,
if he would only knew brown is the only colour I will recognize
.
