

Give Up

Supreme Beings Of Leisure

You know it's time
You know it's time
You know it's time
You know it's time

Nothing's ever easy
It's always such a fight
Hands are locked and ready
A channel for your might
Another world collides
With your heart

You know it's time to give up, boy
You know it's time to give up, boy
You're mine
You're mine

I know that you feel love
I know that you feel lazy
You know there's nothing wrong
No, you're not crazy
Another heart collides
In my world

There's nothing for you to do
Than give up and go with the groove
You know it's right
Just do me baby

You know it's time to give up, boy

You know it's time to give up, boy
You're mine
You're mine

You know it's time
You know it's time
You know it's time

Just give up, just give in
Just don't fight, you can't win
Just give up, just give in
Just don't fight, you won't win

You know it's time

There's nothing for you to do
Than give up and go with the groove
You know it's right
Just do me, baby

You know it's time to give up, boy
You know it's time to give up, boy
You know it's time to give up, boy
You know it's time to give up, boy

You're mine

You're mine
You know it's time
