

# Darling

Suran

I'll show you the way  
You don't gotta doubt  
We'll make our escape  
I will tell you how  
But nothin's the same if you're not with me  
Everyday

But tell me by the way  
If you ever doubt it  
Like castles in the sand  
One day might we say goodbye  
So I'm giving you all my time  
Only for you

Trippin' down the shore  
And poppin' wheelies by the bay  
Memories of youth  
Imaginary getaways  
The galaxy will move just how we want it  
The ship's already set to sail away

Darling next to you  
Staring at the moon  
Wishin' I could be a star  
And light up the darkness above  
Just for you

Ooh ooh wa ooh ooh ooh  
Ooh ooh wa ooh ooh ooh  
Through the winds and the changes just  
I'll be right there with you  
Next to you

Ain't nothin' on our love we do it our way  
I need you fuckin' need you for my own  
Ain't nothing I won't do  
You know I'll always say  
Okay, okay, okay

But time's always tickin'  
Even when we just zone out  
Scene's always changing  
Tryna focus on us so I  
So I'll give you all my time  
Only for you

Darling next to you  
Staring at the moon  
Wishin' I could be a star  
And light up the darkness above  
Just for you

Ooh ooh wa ooh ooh ooh  
Ooh ooh wa ooh ooh ooh  
Through the winds and the changes just  
I'll be right there with you  
Next to you

Darling next to you  
Staring at the moon  
Wishin' I could be a star  
And light up the darkness above  
Just for you
