

Let It Fly

Suran

Naega saneun seoulsi
Rieolliti pantaji
Donghwa sok romaenseu gatji
Neoga moreuneun magic
Call it call it call it

It's all in the Quality
Igeon naui mugiji
Kkot hansongi Diamond Bling
Geugeomyeon chungbun haji
Kill it kill it kill it

Don't need to worry bout a thing
Eonjena dareun gil geotji
I'm letting go of all I know
Get lost in motion

Riding naui mujigae wireul dalligo inneun
Yunikoneul manna catch me
Geugeol tago naneun nara
Take me on a high
And let it fly

Baby naneun uni neom joa
Low and high watda gatda hadaga tto
Amazing trampoline tago olla
Take me on a high
And let it fly

Let it fly, let it fly
Let it fly olla
We get by, we get by
We get by alright
Let it fly, let it fly
Let it fly olla
Take me on a high and let it fly

Neol gidarin boram itji
Something about our energy
We've got the perfect synergy
Now we're floating baby

I kissed the moon now
I been elevated
Amudo mot gabon geu got, jeongbok
In my world there is no gravitation
This is perfect
Never forget

Don't need to worry bout a thing
Eonjena dareun gil geotji
I'm letting go of all I know
Get lost in motion

Riding naui mujigae wireul dalligo inneun
Yunikoneul manna catch me

Take me on a high
And let it fly

Baby naneun uni neom joa
Low and high watda gatda hadaga tto
Amazing trampoline tago olla
Take me on a high
And let it fly

Nae maeumeun flying always light
Aswiun baraem eopgie nan nara
Come on we can let it fly

Riding naui mujigae wireul dalligo inneun
Yunikoneul manna catch Me
Geugeol tago naneun nara
Take me on a high
And let it fly
