

Only One

Suran

Ain't nobody love like you love me baby
It's you and me
Every little thing that you do baby
It's you my only one

Eodireul nalgo innayo
You make me feel so high
Amureon mal eopsido neon bureul jipiji
Oh my gosh ije geuman tteugeowodo dwaeyo
Si gonggani dwijipyedo
You are the only one
Uri jip jeongwonkkaji tabeoryeosseoyo
Gwaenchanayo you are the lucky one

Ain't nobody love like you love me baby
It's you and me
Every little thing that you do baby
It's you my only one

Oh only one

City lights come alive when we cruising
Through the streets in the dead of the night
And the love that I feel when I look in your eyes, is so divine
I wanna stay online like the internet
Cos when I'm outside Seoul I be missin' it
When the plane touch down we be kicking it
I don't ever wanna go

Uri jip jeongwonkkaji tabeoryeosseoyo
Gwaenchanayo you are the lucky one
Uri jip jeongwonkkaji tabeoryeosseoyo
