I'm just walking, walking, don't worry, I'm fine  
Going, going, keep going, I'm fine  
Walking, walking, don't worry, I'm fine  
Walking, walking, walk alone

Yeah, ooh  
Don't worry I'm fine  
'Cause I just keep going going  
I'm just walking walking alone

I say goodbye  
And I smile  
Get home safely  
The street we walked on together  
Now I'm walking on it alone

It might take a while  
The night is long and dark  
But don't worry  
I will find my place  
Because morning will come anyway

It'll get smaller  
My hope for you  
I'll spill it out at once and empty it out  
You'll get erased  
Over my footprints  
New days will be added

I'm just walking, walking, don't worry, I'm fine  
Going, going, keep going, I'm fine  
Walking, walking, don't worry, I'm fine  
Walking, walking, walk alone

I know, it's all in the past  
I laugh, just thinking about it  
Get home safely  
Across the path where we separated  
Though it's a bit sad

I don't hate myself right now  
I want to walk as myself  
It's unfamiliar but dudududu I will find my place  
The sunlight is already so dazzling

I'll get stronger  
All those painful memories  
I'll laugh out loud and erase them all  
It'll get better  
One step at a time  
With this pleasant rhythm

I'm just walking, walking, don't worry, I'm fine  
Going, going, keep going, I'm fine  
Walking, walking, don't worry, I'm fine  
Walking, walking, walk alone

Putting the past behind  
I try to move on  
Keep my heart alive, don't worry  
So far away  
I'll keep on walking

I'm just walking, walking, don't worry, I'm fine  
Going, going, keep going, I'm fine  
Walking, walking, don't worry, I'm fine  
Walking, walking, walk alone

Yeah, ooh  
Don't worry I'm fine  
'Cause I just keep going going  
I'm just walking walking alone
