Love is pain but

□ □□ □□□ □□□ □□ □□

A bitter wind is coming
The memories of you are passing
Like the blade of the knife
Your look which cut me with hurtful words

The warm summer's heat
Has cooled before I know it
Tired of waiting for the spring which won't come
So I live in the winter today as well

I hoped the darkness that
Surrounded us would go away
I wanted my awful long
Long night to end

Tears are dropping
When I call you, dropping
Dropping and dropping
The winter bird is singing

I was alone at the cold night under the shade
I used to hunch my shoulders
I'm afraid that last sunset is gone
So I keep that in my eyes

I hoped the darkness that
Surrounded us would go away
I wanted my awful long

Long night to end

I...You were me and I was you
That's the reason we hurt
We loved like summer
This is the reason that we're sad

Tears are dropping
When I call you, dropping
Dropping and dropping
The winter bird is singing

I'll go for a long trip
Until someone finds me
Love is pain but
Don't I want to believe this?
When will this hurtful song be finished?
