

Lose My Mind

Surf Mesa

Won't you help me
Lose my
Lose my
Lose my mind
Lose my
Lose my
Lose my mind

If I can't have you right here in front of me
If that's not you knocking at my door
I don't want nobody's body on me
Want it to be yours

If it's not you looking straight into my eyes
I swear that I'm not breathing anymore
I don't want nobody's body on me
Want it to be yours

Cause don't you know I'm falling
Falling
With my hands here by my side

Can't you hear me calling
Calling
If I can't have you here tonight

Won't you help me
Lose my
Lose my
Lose my mind
Lose my
Lose my
Lose my mind
Lose my
Lose my
Lose my mind
If I can't have you here tonight
Won't you help me

Lose my
Lose my
Lose my mind
If I can't have you here tonight
Won't you help me

I don't care about anything
There's nothing in life I can be sure
I don't want nobody's body on me
Want it to be yours

Cause don't you know I'm falling
Falling
With my hands here by my side

Can't you hear me calling
Calling
If I can't have you here tonight

Won't you help me
Lose my
Lose my
Lose my mind
Lose my
Lose my
Lose my mind
Lose my
Lose my
Lose my mind
If I can't have you here tonight
Won't you help me

Lose my
Lose my
Lose my mind
If I can't have you here tonight
Won't you help me

Lose my
Lose my
Lose my mind
If I can't have you here tonight
Won't you help me
