Ain't Givin' Up

Surface

(Ain't givin' up, ain't givin' up)

Girl, we had it goin' on
With all the things took all my time
But, baby, I must admit I'm wrong
Have a heart and change my mind

Don't let my mistakes come between us
'Cause we know that we both do wrong (oh baby) oh
Two of us never make it right
Playing hard every day
I hope you'll see things my way, girl

(Ain't givin' up, ain't givin' up)
Ain't givin' up on you, ain't gonna stop, baby
(Ain't givin' up, ain't givin' up)
Givin' up on you
(Ain't givin' up, ain't, ain't, ain't givin', baby)

Girl, you have to change your mind
Try to turn your heart around
But, baby, this love is on the line
Turn this situation 'round
I've been such a fool for believin'
This could never fall apart (baby) oh
It's so hard to believe that you're leavin'
Gonna try every day
Maybe you'll see things my way, baby

(Ain't givin' up, ain't givin' up)
Woo, ain't givin' up on you
(Ain't givin' up, ain't givin' up)
Ain't givin' up on you, ain't gonna stop, baby
(Ain't givin' up, ain't givin' up)
Givin' up on you, ain't gonna stop, no no
(Ain't givin' up, ain't givin' up)
On you, excuse me

It doesn't take a college degree for someone like me
To see what you're the best lady in the world
One of a kind, used to be mine
Must have been blind
Cover didn't take up the time
To give you my love like I had no past
I got relaxed, we've been together for so long
Girl, I want you back, I know I was wrong
I'm guilty in the first degree
For figures, that you'll not believe
Now move on, I'm all alone, it's rough
But no matter what
I'm not giving up on love

Ain't gonna stop, stop stop, do, do, do

I've been such a fool for believin'
This could never fall apart (baby) oh
It's so hard to believe that you're leavin'

Gonna try every day
Maybe you'll see things my way, woo!

(Ain't givin' up, ain't givin' up)
Ain't givin' up on you, ain't gonna stop, baby
(Ain't givin' up, ain't givin' up)
I'm not givin' up on you, no
(Ain't givin' up, ain't givin' up)
I'm not gon' give up on you no no my, baby
Damn, we got it, I'm not gonna give up on you, no, no
I'm really just not gonna give up on you
(Ain't givin' up, ain't givin' up)
