

How could you just leave me all alone?  
Baby, I told you we could take it slow  
We could just have fun and play, you didn't have to run away  
I can't imagine living without you (without you)  
Baby, won't you tell me what did I do?  
We were always happy, never sad, baby, I really want you back

Baby, you got me spinning as my world goes down  
Going through these changes, so baby why don't you come around?  
Baby, you got me flipping upside down and out  
Can you tell me what's it all about? So baby why don't you come around?

Was it the roses or was it the white (it the white)?  
I never notice the change or a sign  
Baby, I thought that we were cool (thought we were cool) woo  
Now I don't know what to do, I know our talking's crazy (crazy)  
'Cause I'm flipping, trying to figure out  
Got me tripping, I'll do anything for you (you hear me)  
Just don't tell me that we'll do (we'll do)

Baby, you got me spinning as my world goes down (world goes down)  
Going through these changes, so baby why don't you come around?  
Baby, you got me flipping (flipping) upside down and out  
Can you tell me what's it all about? (What's it all about, baby?)  
So baby why don't you come around?

Ooh  
(I'm spinning for you)

You don't feel like I love you, but I do (but I do)  
(I thought you're so real)  
I guess have a strange way this to you  
Truth is that I'm stressing everyday (everyday)

Trying to keep a smile upon your face

Baby, you got me spinning as my world goes down (world goes down)  
Going through these changes, so baby why don't you come around?  
(Baby, why don't you) Baby you got me flipping upside down and out  
Can you tell me what's it all about? (what's it all about?)  
So baby why don't you come around? (Boy, you got me)  
(Baby, baby)  
(Baby, baby)  
(Baby, baby)  
(Baby, you got me spinning)  
(Baby, baby)  
(Baby, baby, you got me spinning)
