

Lady Wants A Man

Surface

They're so used to this
Getting approached all the time
They like takin' advantage of
Well of having cute behinds
It's like all the folks you know
Who started ladies night, man
Givin' them pass with fifty cent drinks
Have they lost their mind

Once you start something
You know its hard to stop
Don't ever give up the morrows or soon
She'll have your heart
You're lookin' good on the surface
But you're goin' down
Before you know it she'll chew you up
And spit you out

The lady wants a man
Some may not know it 'til they look at who they are
Lady wants a man
Some think its money just to find a expensive man
Lady wants a man
And they expect a man who knows just who they are
Lady wants a man
That's in control, who's not afraid of saying no
The lady wants a man
The lady wants a man

I'll give you what you need
Not what you think you want
Material things
If by some strange coincidence
That what you want is what you need
Then, baby, its yours

Don't be afraid of the truth
Go out and have a ball
You'll be back when you find out that the
The thrill is gone
I know you need to be loved
In more ways than one, that's why you come
Makin' love to your mind means more to me
When we are one

The lady wants a man
Some may not know it 'til they look at who they are
Lady wants a man
Some think its money just to find a expensive man
Lady wants a man
And they expect a man who knows just who they are
Lady wants a man
That's in control, who's not afraid of saying no
The lady wants a man
The lady wants a man

Ladies

I think you're beautiful
I just don't think you should want a man in control
But a man who can control himself, and his feelings toward you
And make you feel like a lady, Make you feel as beautiful as you are
I just love a woman for being a woman
And for knowing what she wants
And accepting me as a man
Loving me
And doing things to me
It's so good
And I'll do the same to you
Because you're a woman
And I love you
And I know you're a woman who really wants a man
And not a man who just has money
