

# Tomorrow

Surface

Tomorrow, tomorrow, tomorrow  
Tomorrow, tomorrow, tomorrow  
Yes, tomorrow I'll still be there for you

You may think this time goes by  
That this sparkle will leave from my eyes  
No, there is not a chance  
I'll never stop romancing you, oh no  
The love I fell for you, girl, is so-so  
And it just gets stronger  
This time goes on and on and on and on  
Just like the stars at night  
Our future looks so bright  
Ooh, baby, you should know

Tomorrow I'll be there for you  
Showing yesterday's love is still new  
Tomorrow I'll still hold your hand  
And together we will always stand  
Yes, tomorrow I'll still be there for you

Although the seasons we change every year  
My love will remain so don't you fear  
Spring, summer, winter, fall  
I will give you my all, yes, I will  
Some say that you and I would never last  
Any face of good to know  
We have passed the test of time  
Yes, must have so in love  
Thanks to the one love, oh

Tomorrow I'll be there for you  
Showing yesterday's love is still new  
Tomorrow I'll still hold your hand  
And together we will always stand  
Yes, tomorrow I'll still be there (be there) for you

I'll be there (I'll be there) for you  
I'll be there (I'll be there) for you (for you)  
We'll be there for each other  
I'll be there for you (for you) ooh

Tomorrow I'll still hold your hand  
And together we will always stand  
Yes, tomorrow I'll still be there for you

Tomorrow, tomorrow, tomorrow  
Yesterday's love (yesterday's love) for you  
Tomorrow (ooh baby) tomorrow, tomorrow (ooh)  
Together we will always stand
