

# You Are My Everything

Surface

Oh, baby

You are my everything  
You are my everything  
You are my everything  
You are my everything

When I'm feeling discouraged  
Nothing seems to go my way  
You lift me up and give me courage  
To face this world another day

I get excited when I see you  
Shiver when I look in your eyes  
I'm glad I found you and I won't let go  
And be forever by your side

You are my everything  
You are my everything

When I need a friend to talk to  
You tell me what I need to hear  
And when I need someone to hold me tight  
I turn to look and you appear

No one else can do the things you do  
And ask for nothing in return  
Now let me show how much I care for you  
Giving you all the love that you deserve, 'cause you are

You are my everything  
You are my everything

You are the one in my life  
And I want you to stay  
In my heart you comfort me  
That's why I can truly say that you are

You are my everything  
You are my everything  
You are my everything
