

Be Alright

Surfaces

We'll be alright
We'll be alright
We'll be alright
We'll be alright

Head stuck to my pillow
Sunshine sneaking up through the window
Three birds peeping in the weeping willow
And no signal
I got ripped jeans cause my hand me downs holy
Flaked on by my fridge like tony
Guess I'll be eating all the words you say
And you say everything is gunna be okay 'cause

We'll be alright
We'll be alright
We'll be alright
We'll be alright

And now the breeze got us feeling good
Cruising 'round the neighborhood
Living like a child would
And love you like my mama could
Windows down if I'm around surround the oxygen with sound
You could be my lucy let's kick it like charlie brown
Woah baby loosen up that load you're afraid to lose control
You should listen to your soul

We'll be alright
We'll be alright
We'll be alright
We'll be alright

Man I used to stay awake all night
And wonder if I'm worth the fight
But I woke up I'm still alive
That's how I know we'll be alright
Used to stay awake all night
And wonder if I'm worth the fight
But I woke up I'm still alive
That's how I know we'll be alright
