C'est La Vie

Surfaces

It is normal that I can't hear myself, right?
(Yeah) Okay
C'est la vie
Mm-mm

Lookin' up, yeah, at the sky
Ain't a cloud rollin' by
Look at you, girl, on my mind
Hey there, baby, now ain't it the life?

All I need is a lake and my lady
All I need is a place to get lazy
Call on me if you wanna get wavy
Singin' oh, oh-oh-oh
C'est la vie (Ooh, yeah, yeah)
C'est la vie (Yeah, yeah, oh yeah)
C'est la vie (Yeah, yeah)
Singin' oh, oh-oh-oh (Yeah)
C'est la vie

Oh, you move me like a melody
And I love when you got your hands on me
Oh, you taste so sweet like grandma's tea
Baby, no way Heaven gets no better than this
All I need is a lake and my lady
All I need is a place to get lazy

Call on me if you wanna get wavy
Singin' oh, oh-oh-oh
C'est la vie (Ooh, yeah, yeah)
C'est la vie (Yeah, yeah, oh yeah)
C'est la vie (Yeah, yeah)
Singin' oh, oh-oh-oh (Oh yeah)
C'est la vie

Jump in, let's get wavy
Pour some sugar, 1980s
Pull me closer, drive me crazy
Wanna do this on the daily
Lost all track of time
Little piece of paradise
No way Heaven gets no better than this

All I need is a lake and my lady (Yeah)
All I need is a place to get lazy (Oh, a place to get lazy)
Call on me if you wanna get wavy (Call on me, call on me, baby)
Singin' oh, oh-oh-oh
C'est la vie
C'est la vie now, baby (C'est la vie)
Just call on me if you wanna be wavy (C'est la vie)
Hey, hey, hey
Oh-oh-oh
C'est la vie
