Champagne mixing with the OJ
Doing all the same things we did in the old days
You already know
Oh you already know

Champagne mixing with the OJ
Doing all the same things we did in the old days
You already know
Oh you already know

Sun in my eye, I'm feeling right
You bring the juice, I'll break the ice
Throw all your problems to the side
Come catch a vibe, we're out tonight

I'm like aye, tell me where you're at
You can come whenever, we ain't keeping track
No way, you ain't gotta act
You can bring whoever, walk in through the back with the

Champagne mixing with the OJ
Doing all the same things we did in the old days
You already know
Oh you already know

Champagne mixing with the OJ
Doing all the same things we did in the old days
You already know
Oh you already know

Like oh, turning mornings to the afternoon
Like oh, finding moments like we always do
Like oh, turning mornings to the afternoon
Like oh, finding moments like we always do

Champagne mixing with the OJ
Doing all the same things we did in the old days
You already know
Oh you already know

Champagne mixing with the OJ
Doing all the same things we did in the old days
