

# Goodnight

## Surfaces

Yeah, this is a good life  
And this is a good night  
But this ain't a goodbye  
No, this is a goodnight

I'll see you in no time (See you in no time)  
I'll see you at sunrise (See you at sunrise)  
No, this ain't a goodbye (This ain't a goodbye)  
This is a good night
