Lately, I've been feelin' super stressed (Super stressed)
Somethin' heavy sinkin' in my chest (In my chest)
Even though I usually know I'm blessed (Feelin' blessed)
Some days I forget to get some rest (Get some rest)

But you remind me it's okay
No matter what the world has to say
Your love heals me all the way
It's okay (It's okay)

Another lovely day in June (Lovely day)
The sun is always smilin' on you
Another lovely day for two (For two)
Forever leaves me right next to you

Lately, I've been too inside my head ('Side my head)
It's afternoon, but haven't left my bed (Left my bed)
I'm leavin' too much time on what's unsaid (What's unsaid)

I feel like I should go outside instead ('Side instead)
But you remind me it's okay
No matter what the world has to say
Your love heals me all the way
It's okay (It's okay)

Another lovely day in June (Lovely day)
The sun is always smilin' on you
Another lovely day for two (For two)
Forever leaves me right next to you
