

## Lazy

## Surfaces

Yeah, yeah

Oh baby (baby), baby  
We could just be lazy (lazy), lazy  
Get caught up in a maybe (maybe), maybe  
I don't really mind waiting

Oh, I know you've been caught up in your homework (homework)  
Racing back to class in all my t-shirts (t-shirts)  
Never taking time to lean back (back)  
I just wanna see you relax  
It's really been a minute, mmm mmm  
Since we kicked it  
On Montclair Avenue, to be specific  
Used to sit and talk on the porch swing (porch swing)  
Now you're busy caught up in the little things

Oh baby (baby), baby  
We could just be lazy (lazy), lazy  
Get caught up in a maybe (maybe), maybe  
I don't really mind waiting

Oh, sorry that I missed your call  
I've been busy  
Schedule been way too tall  
In this city  
Got your picture on my phone, pretty  
Even when I'm not at home, you're with me

Daydreaming 'bout innocence  
Missing all your sentiments  
Let's just set a time and place  
I can't wait to see your face  
Oh, I can't wait to see your face

Baby (baby), baby  
We could just be lazy (lazy), lazy  
Get caught up in a maybe (maybe), maybe  
I don't really mind waiting
