

Let Me Know

Surfaces

Do you even notice me
Do you even notice me
Do you even notice me

You gotta let me know
Gotta let me know
You gotta let me know

You gotta let me know
Gotta let me know
Cause I don't wanna let you go

Lay it back, loosen up, one shot, lookin up
Need you, on the cuff, never fell so hard in love
Take me, never leave, this can be so heavenly
Malibu to beverly, I can't help but thinkin' do you notice me
Do you even notice me
Do you notice me
Tell me what you really see

You gotta let me know
Gotta let me know
You gotta let me know

You gotta let me know
Gotta let me know
Cause I don't wanna let you go

A picture frame with a label showin' both of our names
I promise this ain't' no arcade and ain't playin' no games
If you ride with me, rest assured that we won't be switchin' lanes
Malibu to Beverly, I can't help but thinkin' do you notice me
Do you even notice me
Do you notice me
Tell me what you really see

You gotta let me know
Gotta let me know
You gotta let me know

You gotta let me know
Gotta let me know
Cause I don't wanna let you go
