

Next Thing (Loverboy)

Surfaces

Yeah

Wanna be, wanna be, wanna be, wanna be, yeah

I'm free, I can be me

You can do you any way you please

Oh no, it's nothing to lose

Used to be blind but now I see

The colors change, winter's by the rain

And though it hurts to say

I don't wanna be your loverboy

If you don't understand me

I don't wanna be your second choice

Your tomorrow or your plan B

I don't wanna be your loverboy

If you don't understand me

'Cause I can't sit and wait

To be another next thing

Ah-ah-ah, ah-ah-ah

Ah-ah-ah-ah-ah

I ain't gonna be the next thing, yeah

Ah-ah-ah, ah-ah-ah

Ah-ah-ah-ah

I ain't gonna be the next thing, yeah

Ah-ah-ah, ah-ah-ah

Ah-ah-ah-ah-ah

I ain't gonna be the next thing, yeah

Ah-ah-ah, ah-ah-ah

Ah-ah-ah-ah

Oh me, oh me, oh my

I'm feeling like a brand new sky

I try, you lie, you hide

I fly, you sit always asking why

You never call me

'Cause I switched up like my old jeans

Got the windows down, doing forty

And I'm doing better than the old me, yeah, yeah

And I'm doing better than the old me, yeah

I don't wanna be your loverboy

If you don't understand me

I don't wanna be your second choice

Your tomorrow or your plan B

I don't wanna be your loverboy

If you don't understand me

'Cause I can't sit and wait

To be another next thing

Ah-ah-ah, ah-ah-ah

Ah-ah-ah-ah-ah

I ain't gonna be the next thing, yeah

Ah-ah-ah, ah-ah-ah

Ah-ah-ah-ah

I ain't gonna be the next thing, yeah

Ah-ah-ah, ah-ah-ah

Ah-ah-ah-ah-ah
I ain't gonna be the next thing, yeah
Ah-ah-ah, ah-ah-ah
Ah-ah-ah-ah
