

Ocean Breeze

Surfaces

Is this real, I want to be
Or am I caught in a fantasy
Feel you there, next to me
As I slowly fade into your ocean breeze

Oh, ocean breeze, ocean breeze
Fadeaway in your ocean breeze
Oh, ocean breeze, ocean breeze
Fadeaway in your ocean breeze

Uh, mmh, mmh, mmh, mmh
Yeah, mmh, mmh, mmh, mmh
Uh, mmh, mmh, mmh, mmh
Mmh, mmh, mmh, mmh

Me and you, you and me
Flying off to the galaxies
Hear your voice, whispering
It's so real that I can hardly breathe, in your ocean breeze

Ocean breeze, ocean breeze
Fadeaway in your ocean breeze
Oh, ocean breeze, ocean breeze
Fadeaway in your ocean breeze

Uh, mmh, mmh, mmh, mmh
Yeah, mmh, mmh, mmh, mmh
Uh, mmh, mmh, mmh, mmh
Mmh, mmh, mmh, mmh

In the waves, mind at ease
Sailing through these old memories
Close my eyes, just to see
If I still fade away in your ocean breeze

Oh, ocean breeze, ocean breeze
Fadeaway in your ocean breeze
Oh, ocean breeze, ocean breeze
Fadeaway in your ocean breeze

Uh, mmh, mmh, mmh, mmh
Yeah, mmh, mmh, mmh, mmh
Uh, mmh, mmh, mmh, mmh
Mmh, mmh, mmh, mmh

Yeah, yeah
Said I'm back in the ocean
In your breeze with a new sun lotion
Said I'm back with a notion
Backpack sack full of hyped-up emotions
Said I'm back in the ocean
In your breeze with a new sun lotion
Said I'm back with a notion
Backpack sack full of hyped-up emotions, yeah
Uh, mmh, mmh, mmh, mmh
Yeah, mmh, mmh, mmh, mmh
Yeah, mmh, mmh, mmh, mmh

Yeah, yeah
