

Ocean Interlude

Surfaces

My mind is open like an ocean
Quit waiting and I've been it
We're splashing, while time is passing
Quit asking and I've been it

My mind is open like an ocean
Quit waiting and I've been it
We're splashing, while time is passing (Passing)
Quit asking and I've been it

Oh I'm still diving
Oh I'm still diving
Oh I'm still diving
