Rooftops

Surfaces

Dance my keys off the table top
Scuff my shoes in the parking lot
I'm late
I'm late
Find you back at the secret spot
Hanging ten off that old rooftop
I'm saved
I'm saved

Climbing to the edge of a bird's eye view
Find a place in the sky where the mountains choose

Dance my keys off the table top
Scuff my shoes in the parking lot
I'm late
I'm late
Find you back at the secret spot
Hanging ten off that old rooftop
I'm saved
I'm saved

Step by step, I feel autumn's glow around
I'm leaving all the weight of the world for now

Dance my keys off the table top
Scuff my shoes in the parking lot
I'm late
I'm late
Find you back at the secret spot
Hanging ten off that old rooftop
I'm saved
I'm saved
