

# Sail Away

## Surfaces

She's salty  
Da-dum-dum, dum-dum-dum, da-dum  
Da-dum-dum, dum-dum-dum, da-dum, ooh yeah  
Da-dum-dum, dum-dum-dum, da-dum  
Da-dum-dum, dum-dum-dum, da-dum  
Yeah-yeah, yeah-yeah

You've been stuck in all your sorrows  
Like a message in a bottle  
Too washed up to no tomorrow, tomorrow  
SOS, we're gonna need that  
Get you back where you can relax  
Too much time spent by yourself, yourself

In waves they come  
In waves they'll go  
With a rhythm you'll never know  
In waves they come  
In waves they'll go  
With a rhythm

Sail away with me tonight  
In the morning we can leave it all behind  
Sail away with me tonight  
In the morning we can leave it all for paradise  
Sail away with me tonight  
Sail away with me tonight  
Sail away with me tonight  
Sail away with me tonight

Yeah, yeah, yeah

Ay, back and forth like "here we go once again"  
It's the second place, you've been stuck in the sand  
And the luck wasn't planned, so you don't know the way  
It's the same stuff for just a different day  
Oh, you can have it all, yeah  
Everybody needs some love  
You can have it all, yeah  
Everybody needs some love

In waves they come  
In waves they'll go  
With a rhythm you'll never know  
In waves they come  
In waves they'll go  
With a rhythm

Sail away with me tonight  
In the morning we can leave it all behind  
Sail away with me tonight  
In the morning we can leave it all for paradise  
Sail away with me tonight  
Sail away with me tonight  
Sail away with me tonight  
Sail away with me tonight
