

Seattle Interlude

Surfaces

I feel like I've forgotten so much from when we were kids
But then again, when I listen to some songs
It's like some of these melodies, these words... the lyrics
Just kinds brings you back in the moment in time
Where you can feel it all again

Yeah, absolutely
I like it cause...
For me, like, when I make a song
I feel like I'm creating my own little world
Like, it's a place where I can go stay and like...
The listener, It's the coolest thing cause...
The listener completely goes to that place with you
Like, how you're feeling when you make the song
Is how the person is gunna feel when you go that place

Yeah, it really feels like an escape...
