I don't know where this life will lead  
And I ain't got no new Ferrari  
Face ain't the cover of a magazine  
And I don't have a mansion out by the beach oh no  
Oh, so it goes  
Aye

But all I know  
Is I'm yours  
And all I know  
Is I'm yours

I don't know if I'll make a change  
Fly to Japan on private planes  
Buy my mama designer things  
And my name don't show up on the walk of fame oh no  
Oh, so it goes  
Aye

But all I know  
Is I'm yours  
And all I know  
Is I'm yours

But all I know  
Is I'm yours  
And all I know  
Is I'm yours
