### **Survive Said The Prophet**

Inside this memory lane  
Of lessons learned as mistakes  
Drowns me out with a thought  
In this noise that I can't let go

I've heard this voice in my head  
Repeat "You're better off dead"  
As my thoughts wander off and get lost  
In this cold dark world

Just let it go  
(Just let it go)  
There's nothing I can say or do  
I can't let go  
(I can't let go)

Holding onto you  
Holding onto you  
Holding onto you  
Is this pain I can't seem to let go  
Holding onto you  
Holding onto you  
Is how I can feel  
Not to let my heart  
Turn it inside out again

I've chased these dreams  
I've been blind to when I was  
The only fireworks igniting the skyline  
What goes up will surely fall right back down quickly

We've got no time to be wasted  
If our life's a joke then we've made it  
'Cause we'll still do what we want

Holding onto you  
Holding onto you  
Holding onto you  
Is this pain I can't seem to let go  
Holding onto you  
Holding onto you  
Is how I can feel  
Not to let my heart  
Turn it inside out again

I still get lost in silence  
Won't lose myself through worrying  
I'm pulling through with all I got  
With everything I've dreamt of

This is our attempt to reassemble what's been broken  
This is our life and how we have spoken  
This is the way we crumble

Whoa-oh-oh-oh  
Whoa-oh-oh  
Whoa-oh-oh-oh

Whoa-oh-oh

This side of me, inside of me  
Starts to take control of me  
Inside of me, this side of me  
Tries to take control of me  
This side of me, inside of me  
Starts to take control of me  
But I know we can stand upon this ground  
Till I just lose control

Holding onto you  
Holding onto you  
Holding onto you  
Is this pain I can't seem to let go  
Holding onto you  
Holding onto you  
Is how I can feel  
Trying to let it go while I'm  
Holding onto you  
Holding onto you  
Holding onto you  
Is this pain I can't seem to let go  
Holding onto you  
Holding onto you  
Is how I can feel  
Not to let my heart  
Turn it inside out again
