Survive Said The Prophet

Everyday's a reason
For you to give up everything
Success became a branding
But hating won't solve anything

Kōkai nante shōmona itte
Only live once o kurikaeshi chatte
Three steps forward two steps back
Dare mo mite nakute mo ganbatte ikou yo

Nanjūnen konosaki mataide
Ishibashi tataki tsudzukete kita nda
1-byō mo muda ni shinai yō ni
Ishibashi tataki tsudzuke teta nda

Everyday's a reason
For you to live up to your dreams
Who cares what they believe in
Cause hating won't solve anything

Kōkai nante shōmona itte
Only live once o kurikaeshi chatte
Three steps forward two steps back
Dare mo mite nakute mo ganbatte ikou yo

Nanjūnen konosaki mataide
Ishibashi tataki tsudzukete kita nda
1-byō mo muda ni shinai yō ni
Ishibashi tataki tsudzuke teta nda

At least we tried everything
Wandering around has left me great memories
We live, we die and things in-between
We're trying just to be a better person on this planet
