

Wake me up  
Genjitsu made kimi o kaite ita  
Take me out  
Yumenonakade kimi ga yugande ku  
Tell me I'm not dreaming

You never know what it's like to be young  
Till we're older, if you're living the moment  
The pain we feel is a lesson we learn  
Once we're broken  
But we're still playing games with our hearts

Risō ga risō to natte mo fukanzen ga chōdo i  
Mie-sōde mienakute mo mezasu toko ga arukara

We can learn to fly  
Tsubasa ga nakute mo bokuraha  
Sora o miage itsuka soko e  
To negatte iku

Risō ga risō to natte mo  
Mie-sōde mienaku natte mo  
Sora o miage itsuka soko e

We'll never know if we keep on pretending  
We'll never see if our minds are distracted  
We'll never hear all the voices rejoice let it out  
Let the voices be heard
