

Cry My A River

Susan Boyle

Now you say you're lonely
You cry the whole night through
Come on and, cry me a river
Cry me a river
I cried a river over you

Now you say you're sorry
For being so untrue
Come on and, cry me a river
Cry me a river
I cried a river over you

You drove me... And you drove me further
Out of my head
While you never shed a tear

Remember... I remember all that you said
Told me love was too plebeian
Told me you were through with me

And now you say you love me
Well, just to prove you do
Come on Cry me a river
Cry me a river
I cried a river over you

Cry me a river
Cry me a river
I cried a river over you
