

Somewhere Out There

Susan Boyle

Somewhere out there beneath the pale moonlight

Someone's thinking of me and loving me tonight
Somewhere out there someone's saying a prayer

That we'll find one another in that dream somewhere out there

And even though I know how very far apart we are

It helps to think we might be wishin' on the same bright star
And when the night wind starts to sing a lonesome lullaby

It helps to think we're sleeping underneath the same big sky

Somewhere out there, if love can see us through

Then we'll be together somewhere out there
Out where dreams come true

And even though I know how very far apart we are

It helps to think we might be wishin' on the same bright star

And when the night wind starts to sing a lonesome lullaby

It helps to think we're sleeping underneath the same big sky
