

## Lover Man

Susannah McCorkle

I don't know why, but I'm feeling so sad  
I long to try something I've never had  
Never had no loving  
Never had no kissing  
Lover man, oh, where can you be?

The night is cold, and I'm all so alone  
I'd give my soul, just to call you my own  
Got the moon above me, but no one to love me...  
Lover man, oh, where can you be?

I've heard it's said that the thrill of romance can be  
Like the heavenly dream  
I go to bed with the prayer  
That you'll make love to me  
Strange as it seem  
Some day we'll meet  
And you'll dry all my tears  
And whisper sweet  
Little things in my ears  
Hugging and then kissing  
Ooh, what I've been missing  
Lover man, lover man where can you be?  
Where can you be?  
Lover man where can you be?
