

Zing! Went the Strings of My Heart

Susannah McCorkle

Dear when you smiled at me, I heard a melody
It haunted me from the start
Something inside of me started a symphony
Zing went the strings of my heart

It was like a breath of spring, I heard a robin sing
About a nest set apart
All nature seemed to be in perfect harmony
Zing went the strings of my heart

Your eyes made skies seem blue again
What else could I do again
But keep repeating through again
"I love you, love you"

I still recall the thrill, I hope I always will
I hope 'twill never depart
Dear, with your lips to mine, a rhapsody divine
Zing went the strings of my heart

~~~♪♪♪♪ ~~~

Never could carry a tune  
Never knew where to start  
You came along when everything went wrong  
And put a song in my heart

Dear when you smiled at me, I heard a melody  
Haunting me from the start  
Something inside of me started a symphony  
Zing went the strings of my heart

It was like a breath of spring, I heard a robin sing  
About a nest set apart  
All nature seemed to be in perfect harmony  
Zing went the strings of my heart

Your eyes made skies seem blue again  
What else could I do again  
But keep repeating through again  
"I love you, love you"

I still recall the thrill, I hope I always will  
I hope 'twill never depart  
Dear, with your lips to mine, a rhapsody divine  
Zing, zing, zing, zing went the strings of my heart
