

But of course  
In any scenario such as this  
Through clarity, we find  
Might be all too easily sacrificed  
Andy foolishness of his  
That spells commitment  
He knows it never makes it's way  
Into his script  
Oh, she just seems to him to be suitable  
Oh, she just seems to him to be suitable  
And, of course we're fascinated  
Such willing victims  
Of that tempter, Passions fickle ways  
Because we love, we're bled  
And tried - right now tied up  
Our rationale already razed  
Right through the floor  
And we, the headless  
Ever back for.....  
Oh, she just seems to him to be suitable  
Oh, she just seems to him to be suitable  
But, of course  
In any scenario such as this  
There's no time for any  
Of your easier regrets  
And polished sentiment must never  
Be allowed across the threshold  
Because, like all lovers  
We need to keep  
Such tight control  
Oh, she just seems to him to be suitable  
Oh, she just seems to him to be suitable  
But, of course  
We're fascinated  
Because we love and lust  
We're bled and tried, tied up  
But, of course  
We're fascinated  
Because we love and lust  
We're bled and tried, tied up..
