

Far Out Feeling

SUSTO

You could be comatose in a parking lot
I could be sleeping on your floor
You might check yourself in to rehab in California
When I'm pulling into New Mexico

Thinking I can't wait for this to end
Gonna lay my head down soft in the grass
I'll make my way to that far off, far out feeling

You could be working in a shopping mall
I could be making my rent down at the pawn shop
My mom's on her knees saying prayers for the afterlife
While I'm living in heaven on earth

Singing I can't wait for this to end
Gonna lay my head down soft in the grass
I'll make my way to that far off, far out feeling

Take a step back, take a step back and see it
Take a step back, take a step back and believe it
Take a step back, take a step back and feel
Take a step back, take a step back
This is for real

Singing I can't wait for this to end
Gonna lay my head down soft in the grass
I'll make my way to that far off, far out feeling
