

## If I Was

SUSTO

If I was a savior  
I'd help all the people get saved  
Dunk their heads under water  
Just to make sure that they're all okay  
They're all alright  
Be outta sight

If I was a teacher  
I'd spend all my days in school  
Teachin children how to solve problems  
Teachin 'em how to play it cool  
And follow the rules  
You better stay in school

If I was a writer I'd try to suck you all in  
Put out some real page turners that  
You never ever wanna put down again  
I'll suck you in  
Let me win

But I am just a singer  
With an electric guitar in my hands  
Tryin to work through my own set of problems  
Trying to do the best that I can  
The best I can  
And I'm your man

So come on be my lover  
I promise to treat you right  
Meet you underneath the covers  
I wanna hold you tight  
I wanna hold you tight  
All through the night

Number one with a gun y'all  
What you lookin at?
