

You do
D'you do what you said you boy?
I wouldn't want to try
To stop you my
You free your mind
Free it this time
I wouldn't let it through

You do
Feel like you're dead you boy
I wouldn't want to try
To stop you by
Go free your mind
Free it this time
I wouldn't let it through

You still dance
You're so entranced
You still dance
Still follow my hand, to be

'Cause you do
Feel like I dead you boy
I wouldn't want to move it to try to
You free your mind
Free it this time
I wouldn't let it through
