Suuns

Don't believe them
Losing a way
Losing innocence

Don't go and believe them
Don't believe them

Don't believe them
Losing the strain on me

You're gonna leave em
Don't see them

Don't believe me, looking back
Don't leave it all, looking back

Cause innocence reigns
Look what is innocence

Look

Blame it on me
Blame it on me

Look

I see, I see, I see, I see, I see, I see...
