

# Resistance

Suuns

Resist, resist, resist  
Resist, resist, resist

Resist, resist, resist  
Resist, resist, resist

Resist, resist, resist  
Resist, resist, resist

Resist, resist, resist  
Resist, resist, resist

Resistance

Don't wanna change, but I wanna change  
I wanna feel  
Kneel, feel

And if I'm strange, I'm only strange  
Because you fear  
Kneel, fear

Resist, resist, resist  
Resist, resist, resist

I don't wanna name, but I need a name  
To call these things  
Kneel, feel

And if I say the only way  
Isn't the way  
Kneel, fear

Resist, resist, resist  
Resist, resist, resist

Resistance
