

Sweet Nothing

Suuns

If you were from Quebec, you recorded a concept album
We saw you on TV back in 2000

I can't I can't I can't I can't
I don't remember
Cause it was always gonna last forever

Our deep solitude separated us like a lake

I can't I can't I can't I can't
I don't remember
Cause it was so hard to keep the band together

Oh
I'd give
All you can
And all that you wanted
(Oo-oo-hoo)
I'd give
All you can
And all that you wanted
Oh
I'd give
All you can
And all that you wanted
(Oo-oo-hoo)
I'd give
All you can
And all that you wanted
