

The Fix

Suuns

Come on believe in something
I'd never believe in nothing when I'm full
When I'm full
Baby, I'm feeling something then when

I wont ever do nothing
I can't move baby when I'm full
When I'm full
My sister has my hand

Oh, I'm feeling something
Must have believed in nothing when I'm full
When I'm full
When I'm full
My sister has my hand
